**CASA
VERDE**

OUR MOTTO

“stay a while”

We ask you to stay a while and enjoy our amazing atmosphere full of house plants, friendly faces, and great cafe foods and drinks! We have plenty of space for lounging, homework, and catching up with friends.

OUR COFFEE

Regenerative Business Model

We at Casa Verde work to support small coffee families in Latin America who are providing us with opportunities to spread their fantastic roasts.
For more information visit our website or ask an associate.

About our Plants!

- All plants are locally sourced from nurseries in SoCal
- We have over 15 different types of house plants
- All of our houseplants are available for purchase!
